

"Reaching Our Potential"

TOOBORAC PRIMARY SCHOOL

FIRST AID POLICY

PURPOSE

To ensure the school community understands our school's approach to first aid for students.

SCOPE

First aid for anaphylaxis and asthma are provided for in our school's:

- *Anaphylaxis Policy*
- *Asthma Policy*

POLICY

From time to time Tooborac Primary School staff might need to administer first aid to students at school or school activities.

Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

Staffing

The principal will ensure that Tooborac Primary School has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.

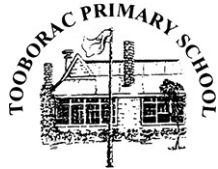

Tooborac Primary School's trained first aid officers are:

- Maria Hooper 24/07/2019
- Cheryl Ward 24/07/2019
- Rita Pollock 24/07/2019
- Avril Mcarthur 24/07/2019
- James Tenison-Woods 24/07/2019

First aid kits

Tooborac Primary School will maintain:

- A major first aid kit which will be stored in the staff room (in the office building) additionally and evacuation kit will be stored near the main entrance to the school.
- A portable first aid kit/s which may be used for excursions, camps, or yard duty will be stored:

"Reaching Our Potential"

- in the staff room

Maria Hooper will be responsible for maintaining all first aid kits.

Care for ill students

Students who are unwell should not attend school.

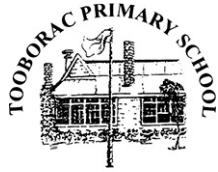

If a student becomes unwell during the school day they may be directed to sit in the multi-purpose room and monitored by staff. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

First aid management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, Tooborac Primary School will notify parents/carers by telephone call or a conversation upon dismissal. If unable to make contact via these methods an sms will be sent
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment has been administered to a student Tooborac Primary School will:
 - record the incident on CASES21
 - if first aid was administered in a medical emergency, report the incident to the Department's Security Services Unit on 03 9859 6266.

In accordance with guidance from the Department of Education and Training, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury.
